THE INNOVATORS OF COMFORT™

Introducing the NEW BalanceAdapt™ System

Our new range of BalanceAdapt™ recliners and sofas provide a unique comfort experience, ensuring perfectly balanced seating. The responsive sitting system, which delivers a subtle and soft rocking motion, adjusts your sitting angle in conjunction with the movements of your body. Importantly, the recliner range includes our patented Stressless® Plus™ system, which provides exquisite lumbar and neck support. The unique headrest with sleep position ensures the ultimate comfort experience.
